RE: Alton Gas Community Engagement Session-September 19, 2016  
(UPDATE)

Dear Band Members,

Representatives from **Alta Gas will not** be in attendance during our community engagement session on September 19, 2016. The Chief and Council still want to proceed with this community engagement session, as it is very important to get feedback from our Band members surrounding this issue. The following will be the tentative agenda for this engagement session.

6:00pm – Opening Prayer/Community Feast

6:30pm – Open discussion between Sipekne'katik Leadership/Band Members

I would like to encourage all Band Members to attend this community engagement session. The Chief and Council would like to have input from our Band members on how to proceed regarding this issue. To ensure your voice is heard it is very important for you to attend.

If you have any questions regarding this, please feel free to contact me anytime.

Sincerely,

Chief Rufus Copage
