RE: Sipekne'katik Email System

Dear Band Members/Community Stakeholders,

Please be advised that Sipekne'katik is in the process of changing our email host and website host services. During this process I do expect random interruptions in services. This means throughout the week emails sent to Sipekne'katik.ca may bounce back or report as undelivered.

I appreciate your patience and understanding as we work through this change process.

Sincerely,

Chief Rufus Copage
