Notice to all Sipekne'katik Band Members

The Sipekne'katik Fisheries Department will be going to all households to conduct a survey on Moderate Livelihood this will start the week of July 23, 2018. Taylor Brown, who works for Nexus Coastal Resource Management and one of our staff from the Department will be looking for your input on what our strategy should contain. This will take about 10 to 15 minutes to complete.

This will be an option do the survey online. The Fisheries Department will hold in house surveys, to make it more convenient for you. Available times will be posted as soon as there is schedule, please call Denise 902-758-4571 to set up an appointment.

As the Sipekne'katik Fisheries appreciate you input, your name will be put in for a draw for one of three prizes.

Thank you,

Brandon Maloney
Fisheries Director
