

**IMPORTANT NOTICE:**  
**RE: SNOW REMOVAL, SALT AND SANDING 1752**

We are fortunate to have the Operations and Maintenance and Housing Departments to plow, salt, and sand the roads and driveways for our community this winter, however the Departments need to provide prior authorization for services requested to our operators.

Please do not contact the operators directly but forward any requests to the Operations & Maintenance Department or the Housing Department. All work will need to be approved prior to commencing.

Please be patient as we have a small fleet to manage and the Housing Department will be helping O&M with high priority areas.

**O&M Department:**

- Main Roads
- Emergency Services (Police Station & Fire Hall)
- Capital Building Parking lots:
