2016 – 2017 Student School Supply/Registration

The Sipekne'katik Band student school supply and registration forms will be at the band office with Sandra Lee Julian. Both the registration and school supply forms need to be completed for each individual student to submit for a school supply cheque.

Finance has notified me that school supply cheques will be released on August 26th, 2016.

Thank you,

*Velvet Paul,
Director of Education
